## **Fast Fashion Spurs Need for Change in Fashion Industry**

Why do fashions change? The answer is probably as simple as the fact that people change. Over time, the new replaces the old. People are influenced greatly by popular culture, including athletes, musicians, movie stars, politicians, royalty, as well as popular films, television shows, books and music. We also are influenced by the fashion ...

## **The Great War, and Great Change for Women - The New York Times**

The New Woman was a feminist ideal that emerged in the late 19th century and had a profound influence on feminism well into the 20th century. In 1894, Irish writer Sarah Grand used the term "new woman" in an influential article, to refer to independent women seeking radical change, and in response the English writer 'Ouida' (Maria Louisa Rame) used the term as the title of a follow-up article.
